

**STATEMENT OF CANDIDATE FOR  
WESTERN PLACER UNIFIED SCHOOL DISTRICT  
TRUSTEE AREA 3**

**Noah D. Mackenroth**

**Occupation:** Teacher/Parent

**Education and Qualifications:** Your school board makes critical decisions that greatly affect your child's life. It's important to know that your representatives truly represent your family's interests, and none other.

Your board member should jealously defend the educational interests of our local constituency. Your board member should also support expanded educational opportunities for all students, whether they be special ed, GATE or mainstream, but never at the expense of the 3 "R's". They should also know the difference between an innovative new idea on one hand, and the latest educational fad on the other. They promote social responsibility, but they shouldn't allow our schools to peddle a special-interest's political agenda. They know the inside, but shouldn't think like an insider. If you agree, then I'm your candidate.

I have a Master's degree in Education, and a Bachelor's in Business Administration. I've been a teacher, an administrator, a governing board member and an expert in school/union relations. I've written articles on educational reform, and founded a local educational research organization. My wife and I raise our three children in the same house I grew up in, here in Western Placer County. I look forward to serving your family on the WPUSD board.
